

Pastor Joseph Transcript

Pastor Joseph: My name is Pastor Joseph Masankai, Pastor at Inkiito Baptist Church. I am saved, Christ is Lord, I have seen His hand in my life.

Daniel (Interviewer): How can you describe Inkiito?

Pastor Joseph: Initially we started with 16 people. At that time, community members had never heard of the Gospel before. There were many challenges; some community members were hostile towards the Gospel. By the grace of God we soldiered on, and from 16 people we grew to 30 people.

Daniel: Have you recently had a training?

Pastor Joseph: We had a good training led by Rev. Daniel and Jeff Buell. Joan, Daniel's wife, and three other Americans were also part of the team. The training was well done. We learned about the family, community, the Church, and love. We learned how we are to bring up our children in a Godly way. The Bible says that we bring up our children through the Word of God, teaching them when you are walking, seated, and sleeping. The training really helped me and my family, we were greatly encouraged, and the church really gained from the training.

Daniel: Thank you so much Pastor Joseph. Continue preaching the Gospel. What would you want to tell those who trained you, your family, community, and the church?

Pastor Joseph: I want to say thank you so much for the training. We hope this is not the end, we want more and more! God bless the team.
